The Swanton Sector has seen about a 900% increase in gotaways between October 2022 and February 2023.

Mexican Nationals enjoy visa-free access to Canada. Electronic Travel Authorization allows migrants to fly to, or transit through a Canadian airport for just \$7 CAD, approved within minutes.

In FY23, Border Patrol agents apprehended an individual on the terrorist watchlist attempting to illegally enter the country between ports of entry on the Northern Border.

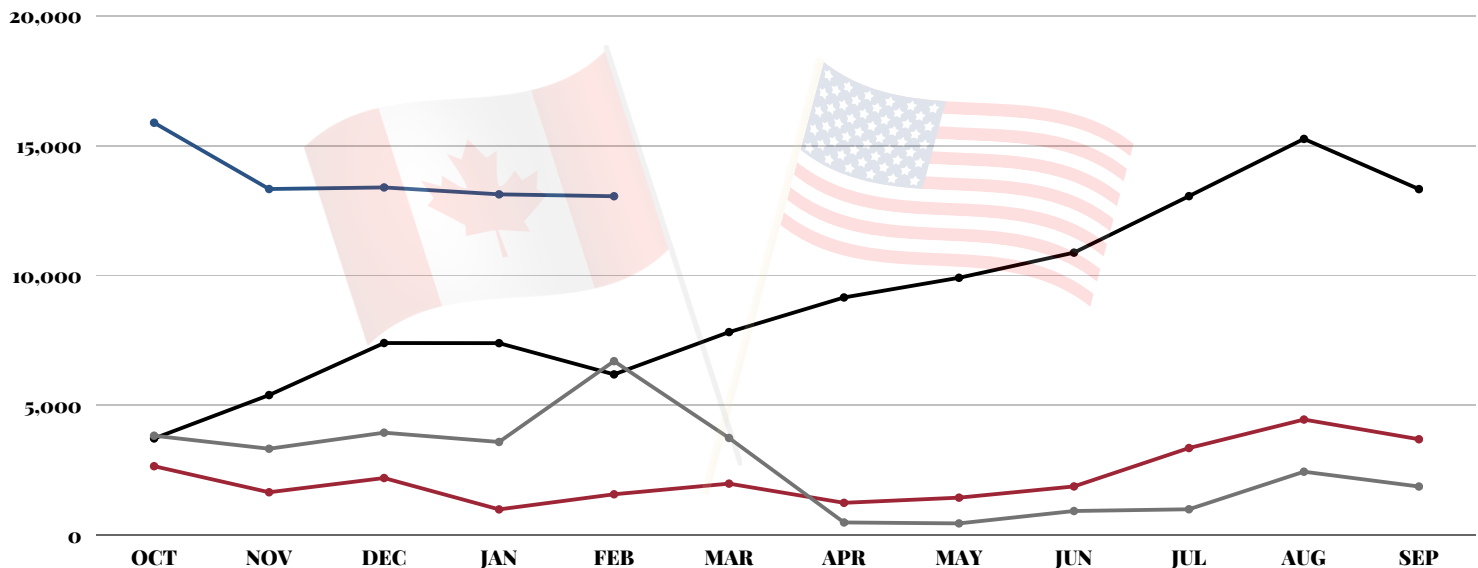

This January, in the midst of freezing temperatures, the Swanton Sector recorded more encounters of illegal border crossings than the previous 12 Januarys combined.
